Who we are

Sistema Turismo is an Italian company that organises and manages work experiences and educational programmes for students, teachers, trainers and people on the labour market.

Our **mission** is to provide quality training experiences in order to increase beneficiaries' career prospects and personal prosperity.

Our agency in **Rimini** deals with hundreds of participants every year, coming from all over Europe, providing them with the best training experience, as well as a multicultural environment.

We also organise projects in our office in **Potenza**. In this branch our main activities are marketing and the organisation of training courses for Italians.

Services

≈ Organisation of Work Placements

We provide Work Placements according to the trainees' CVs, their previous professional experience and their language skills.

≈ Organisation of Professional Visits and Seminars

We organise Professional Visits and Seminars for teachers, trainers and people employed in the training environment.

≈ Tutoring and Follow Up

We guarantee 24 hours personal and professional support, thanks to our specialised staff. We organise fortnightly monitoring meetings with participants so that a continuous control of the whole experience is carried out.

Both the Host Company tutor and the participant fill in initial and final evaluation questionnaires, analysing all aspects related to the programme.

≈ Italian Language Course

Language courses are taught by native speaker teachers specialized in teaching Italian as a foreign language. The teaching method is based on communication. Students actively exercise the four fundamental functions of the language: listening, speaking, reading and writing. Particular attention, however, is given to conversation, to develop in the student an increasing capacity to express himself and communicate in Italian from the beginning of the course.

≈ Accommodation

Participants are usually accommodated in fully equipped and comfortable flats shared with other beneficiaries. Participants can be also accommodated in hotels (usually for short stay programmes).

Only one word can define my experience in Italy: Happiness! Teresa - Spain

≈ **Maintenance/Pocket Money**

Participants accommodated on a self-catering basis receive a weekly pocket money to cover food costs. Participants staying in hotels are provided with full board accommodation (3 meals / day).

≈ **Transfer to/from Airport**

We organise the transfer by private bus or taxi at the participants arrival and departure. The nearest airports are Rimini and Bologna, but we organise the transfer from many other places.

≈ **Local Transports**

We provide participants with a weekly or monthly transport pass.

≈ **Cultural Activities**

We organise a wide range of visits to the most important cities and monuments in the area (i.e. San Marino, Ravenna, Urbino, Florence and Venice).

≈ **Certificates**

At the end of the programme, Sistema Turismo issues both a language course and a work placement certificate. Also a certificate signed by the hosting company is given to the participants.

≈ **Europass**

Sistema Turismo cooperates actively with the sending organisation for issuing the Europass Certificate.

≈ **Final Report**

At the end of the programme, we prepare for the sending organisation, a final report containing information about the project (work placement companies, professional visits, evaluations, pictures, etc...).
